

SWEET NEST LODGE

Luxury ski chalet for 9 - 5 stars, cinema, hot tub and lift

Live the high life at this luxury chalet in the exclusive Hameau de la Morraz, near La Clusaz

About Sweet Nest Lodge ...

This exclusive chalet is in the Hameau de la Morraz - a unique community of six contemporary chalets in landscaped grounds just 2km from the centre of La Clusaz.

Sweet Nest Lodge commands stunning views over La Balme and the pistes of La Clusaz. Combining the best of contemporary design with traditional materials, it was built using Aravis stone and reclaimed wood.

Whether you are looking for a winter base, from which you can ski the 220km of Aravis pistes, or a summer retreat for mountain sports such as hiking, climbing and mountain biking, you couldn't make a better choice. There is plenty of space for two families or a group of friends, and guests with limited mobility are well catered for with a lift connecting the three floors.
